My Vision ...

- To work with committed staff, students, parents and community partners to create a Professional Learning Community built on a common Mission, Vision, Values and Collective Commitments.
- To support staff so they can realize their commitment to ensure the success of every student.

My Vision continued ...

- To foster an environment committed to Social Justice and the creation of an equitable and inclusive learning and working environment.
- To direct resources in order to allow staff to use technology as a tool to engage students in meaningful and relevant learning opportunities

My Vision continued ...

- To engage in Professional Learning that will support our work to foster critical thinking skills in students.

Our work

- To be committed with both our time and energy to the extra work that is involved in this exciting new opportunity
- To demonstrate the ability to be flexible, organized, resourceful and willing to work collaboratively
- Be prepared to do classroom ordering in the spring

Our work ...

- To be prepared to come together in the spring in committees to assist with timetabling, building balanced classes, etc.
- To be willing to possibly come together in the summer to do September start up work

QUESTIONS?

- Please feel free to ask any questions that will help you understand my vision and expectations!
- THANK YOU FOR YOUR INTEREST AND I LOOK FORWARD TO MEETING YOU AT THE INTERVIEWS!
