### More about Brampton Centennial:

---

Built in the centennial year – replacing Brampton High School. The Brampton community has grown and developed around the school. Brampton Centennial is a community school that reflects Brampton's rich, multicultural heritage as well as its urban and rural roots.

Brampton Centennial students and staff are active at school and in the community. At school, there is a high level of student involvement in athletics and clubs. In the community, they volunteer to help support numerous charities, agencies and social programs.

There is a long tradition of academic excellence at Brampton Centennial. Student achievement is recognized through a variety of academic, athletic and co-curricular awards. Staff are also committed to excellence and model lifelong learning in all they do to support student success.

Brampton Centennial is one of the sites for the Secondary Communications Program (LD). This is a support program for students identified with learning disabilities who require specialized learning and/or technological support.
