Hawks

Highlights:

- ❖ International Business and Technology regional program that enriches and extends the traditional secondary school curriculum
- ❖ One of only two high schools in Canada to offer flexography, a regional program available to all Peel students
- ❖ Hands-on, technical skills training in a number of fields including: auto service, business, construction, hairstyling and aesthetics, and hospitality and tourism

More about Gordon Graydon Memorial:

Gordon Graydon Memorial has a long tradition of excellence. Gordon Graydon offers a full range of academic, business, technology and arts programs as well as a wide selection of extracurricular activities.

Bringing together students from across the region, Gordon Graydon presents a unique learning experience because of its many specialized programs. In addition to Flexography, International Business and Technology and the many vocational programs offered, Gordon Graydon is one of the sites for the Secondary Regional Communications Programs (LD) and (ASD). These programs support students identified with learning disabilities or Autism Spectrum Disorder who require specialized learning and/or technological support.

Gordon Graydon's goal, in partnership with parents and the community, is to develop students' knowledge, skills and values in a safe environment. Staff also challenge students to become independent lifelong learners and caring contributors to society.

For more information about regional programs offered at Gordon Graydon, contact the school, or visit us online at www.gordongraydon.com.
